

CAP
CONSULTING

A vintage map of North America, showing the United States and parts of Canada and Mexico. The map is overlaid with a dark blue rectangular box. Inside the box, the text "WHY CHOOSE US?" is written in white, bold, sans-serif capital letters. Below the text, a small orange arrow points to the right. The map background shows various cities, states, and geographical features like the Great Lakes and the Gulf of Mexico.

WHY CHOOSE US?

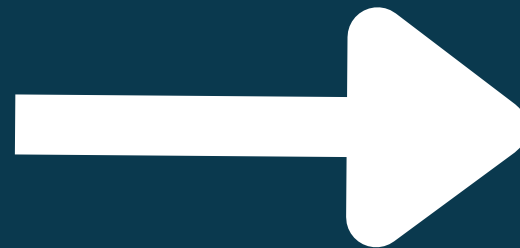

OUR USERS

LOW
graduation
success rate
(GSR)

+

LOW
academic
progress rate
(APR)

THE PROBLEM:
POOR REPUTATION

THE SOLUTION

By hiring CAP consulting, we are promising to get them out of the lowest quartile of GSR and APR

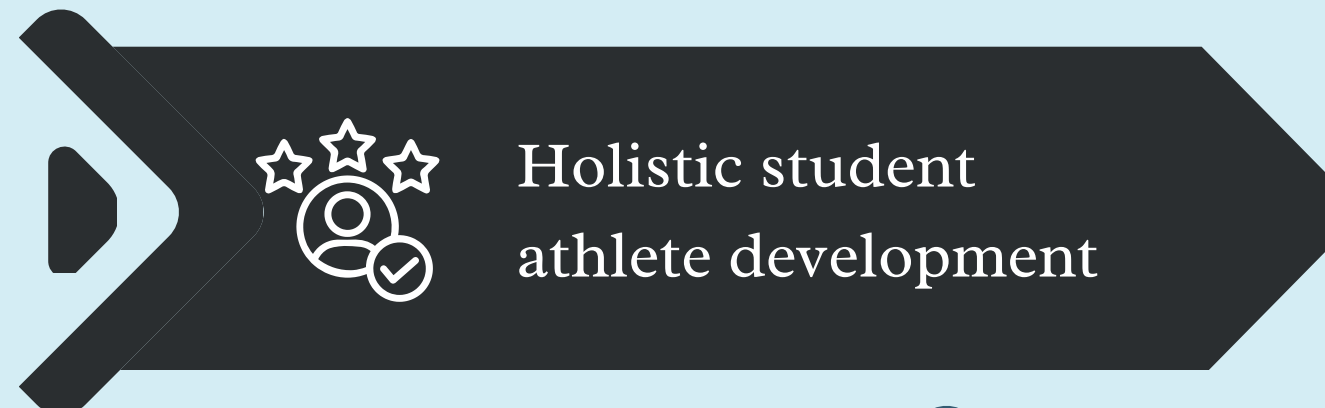

O1

Positive press and
attention of donors

O2

Positive ambassadors,
increased giving, and
good for brand

HOW IT WORKS

A high-level overview of our services

Phase 1
In-depth research phase

Phase 2
Insights x Best in the
industry

Phase 3
Design a tailor-made
program

Phase 4
Train the trainers

Phase 5
Implement and
Follow up

CAPSTONE CAPABILITIES EXAM

Where we pulled from:

- NCAA academic data
- successful SAD programs
- 40 Developmental Assets
- the White Paper on student athlete success
- surveys of college graduates

What we included:

- professional development skills like budgeting, taxes, public speaking and negotiating
- personal development skills like resiliency, leadership, nutritional wellness, and Ikigai identification
- community engagement like volunteering and diversity training

What we do with it:

- giving the test to all the senior student athletes and averaging the score amongst them to identify college's score
- measure growth of student athletes over time before and after the implementation of our program

Career and Professional Development

1. Budgeting
2. Taxes
3. Investing

BUSINESS MODEL CANVAS

THREE HORIZONS OF GROWTH

PRODUCTS AND SERVICES

Our full product offerings include:

- 1- an instructions manual that has summarized our research findings and outlines each step of the program
- 2- a structure of the sessions themselves and a “how to” on each. EX- Ikigai Improv
- 3- cohort cards that group student athletes
- 4- an app that tracks a student athlete’s sessions and has clear communication lines between admin and athlete
- 5- a comprehensive AI feedback system that tracks a SA’s feedback for each session they attend throughout their careers, which used to improve sessions and track SA growth over their four years
- 6- a tiered list of incentives for SAs with increased engagement

COST STRUCTURE FOR YEAR 1

TOTAL = \$199,000

Office Equipment and Supplies: expenses such as computers, printers, software, stickies and other supplies
= 5,000

Travel Expenses: expenses associated with travel for consulting, business meetings, conferences, or other events
= 15,000

Salaries and Benefits: 2 employees x 80k / year
= 160,000

COMPETITIVE LANDSCAPE

Adjacent: Altius

A consulting company that is laser focused on NIL for college athletic programs. They work with all the biggest schools and document their trends, so for the smaller fish to stay at the power 5's level, they package their content and sell a subscription model of NIL deals

Umbrella: NATCA

A yearly conference that oversees collegiate athletic departments across the country. They have a division that is N4A which is community of practitioners dedicated to the academic and personal development of student-athletes, preparing them for success.
