

AfterWords

Understand More. Worry Less.

Mariam Ahmed & Natalie Lim

Imagine This.....

- “Start a new medication”
- “Stop eating certain foods”
- “Come back for a follow-up lab in 6 weeks”

Imagine This.....

- “Start a new medication”
- “Stop eating certain foods”
- “Come back for a follow-up lab in 6 weeks”

**But English isn't his
first language**

**This happens every single day—in
every city, to millions of people.**
